RACE NUMBER: ENTRY FEE PAID. (CIRCLE)

---

Proudly brought to you by the RUSSELL BOATING CLUB with help from RUSSELL LADY KAYAKERS. A light meal will be available, or bring a picnic to enjoy after the race at the club. Thank you EVERYONE for prizes, help, ideas, support.

## SHORT SHIPS WAIVER

- 1). All boats participating in the race do so at their own risk. The RUSSELL BOATING CLUB is not responsible for the safety of the contestants other than by having the course clearly marked in safe waters, and by having several support boats to help out if problems occur.
- 2) Boats are required to obey the International Regulations for the Preventing Collisions of at Sea. If there is a question of who has right of way, use common sense, please, to avoid collision. We are short ships, have more to lose in a collision!
- 3) You are asked to obey the rules of the course, to go around the markers in the direction requested.
- 4). Thou shalt feel free to splash your opponents, but not to bash them.
