

# Russell Boating Club

boat name	sail no.	Handicaps for Evening Race 27 Sep 17	Theoretical handicaps in last five races needed to achieve the same corrected time as the boat placed 40% of the fleet from the winner. The oldest race in right hand column. Race handicaps in <b>bold</b> are the rolling average of the last five theoretical handicaps. Theoretical handicaps in <i>italics</i> where performance is more than 5% from actual race handicap. In that case +/-5% from race handicap is used as theoretical handicap.					RBC race fees paid	Racetrack rankings Racetrack is an Auckland website that tracks the performance of most yachts racing in New Zealand. RBC results were recently sent to the site and here is how we stack up against other yachts in New Zealand (on 4 February 2017). Rating      Rank		
Andromeda	1014	0.580			0.605	0.588	0.593	RS Aero	yes
